GreenPort Self-Registration and Enrollment

ePermitting Electronic Filing Administrators (EFA’s) will need to register for a Greenport account on https://www.depgreenport.state.pa.us in order to access the ePermitting application as well as the ePermitting Security section. Users must also submit the Electronic Filing Administrator (EFA) Form to DEP before they can use the ePermitting application.

Creating a GreenPort Login

1. Go to www.depgreenport.state.pa.us
2. Select the ‘Click here to self-register’ button.
The ‘Self-Registration Name’ page will display.

3. Enter your First Name in the ‘First Name’ field.
4. Enter your Last Name in the ‘Last Name’ field.

**Note:** Enter YOUR name not the name of the Operator, Company or Institution. The Name and Contact information entered here must be the person who is applying for access and who is signing the EFA or User Agreement Form.

5. Click on the ‘Continue Account Creation’ button.
The ‘Create Account’ page will display.

Note: Your User Name and Full Name is displayed at the top of this screen. The Name and Contact Information entered here must be the person who is applying for access and who is signing the EFA or User Agreement Form. The pre-populated username is based on the First and Last Name that was entered on the previous screen.

6. Enter your E-mail Address in the ‘e-mail’ field.
7. Enter your Telephone Number in the ‘Phone’ field.
8. Enter your Street Address in the ‘Street’ field.
9. Enter your City in the ‘City’ field.
10. Enter your State in the ‘State’ field.
12. Choose a password hint by clicking on the drop-down arrow and selecting a password hint.
13. Enter the answer to the Password Hint you had chosen in the ‘Password Hint Answer’ field.
15. The Password must be at least:
   a. 8 characters long
   b. Contain at least 1 number (1, 2, 3...)
   c. Contain at least 1 uppercase letter (A, B, C...)
   d. Contain at least 1 lower case letter (a, b, c...)

16. Confirm your Password by entering it again in the ‘Confirm Password’ field.

17. Select the ‘Create Account’ button. If you select the ‘Cancel’ button all information will be erased, and you will be directed back to the previous screen.

18. After you click on the ‘Create Account’ button, you will be sent an email message similar to what is shown below.

```

Your account information for the DEPGreenPort website is:

    Username: LASTNAME#
    Password: Password1

After logging into the DEPGreenPort with this new password you may change the password by clicking on the ‘Account Administration’ button.

You can access the DEPGreenPort through this link:
http://www.depgreenport.state.pa.us
```

It is strongly recommended that you record your Password and Username and keep it in an easily accessible and remembered location. If you lose or forget your Password or Username and cannot retrieve it using the ‘Can’t Remember Password’ link, you will need to contact the Service Desk to reset it.

Your User Name and Password have now been created to access the DEP Greenport application. However, to access the ‘e-permitting’ page you will need to complete the EFA form to be granted access or enroll into the e-permitting system as a user as described below.
Enrolling into the e-permitting Application as a User

1. After a user is registered, the user must sign into GreenPort using their Username and Password, click the ‘Enroll’ button.

2. The user will be taken to the ‘DEP GreenPort Self-Registered Available Applications’ page.

3. Toward the bottom of the page, the user will click the ‘e-permitting’ button under the section of applications listed as ‘Permitting’.

4. The user will be taken to the ‘Additional Data Required for Access to e-permitting’ page.

5. The user must select ‘Asbestos’ in the ‘Program Area’ drop-down list.

6. The user must select if they are working for themselves or for someone else and press the ‘Submit’ button.

   **Program Area**
   Asbestos

   **Work Type**
   Are you working for yourself or for someone else?

   Submit

   Cancel Request

**Note:** If the user selects the option ‘working for someone else’, the user is prompted to provide the ID number provided in the email sent after creating a GreenPort Login.
**e-permit Dashboard**

e-permitting users access the e-permit Dashboard to create, view, modify, and/or delete draft authorization applications or previously submitted authorizations and notifications based on security roles given by the Electronic Filing Administrator (EFA). Users can view applications that are in a Draft or Received by DEP status.

**Accessing the e-permit Dashboard**

1. Open Internet Explorer.
2. In the URL Address Bar, type in ‘https://www.depgreenport.state.pa.us’.
   The ‘DEPGreenPort’ website will display.

3. Enter your User Name in the ‘User Name’ field.
4. Enter your Password in the ‘Password’ field.
5. Click the ‘Log into DEPGreenPort’ button.
The ‘List Applications’ screen will display.

![Image of DEPGreenPort interface]

6. Click the ‘e-permitting’ button.

The ‘e-permit’ Dashboard is displayed on the ‘Home’ page.

![Image of e-permit Dashboard]

The e-permit Dashboard can be accessed at any time by clicking the ‘Home’ button. Authorized users will see various tabs based on the applications that they have been given access to.

If users only have access to one Program, this page is skipped and the user is taken directly to their Dashboard for that Program.
Creating a Draft Notification

Authorized e-permitting users can create a new draft notification from the e-permit Dashboard page within the e-permitting application.

1. From within the ‘e-permitting’ Application, access the ‘e-permit Dashboard’ page.
2. Click the ‘Create Authorization’ button.
3. Mouse over the ‘Notification Type’ and select the ‘appropriate’ selection.

4. The ‘e-permit Authorization Overview’ page will display.

5. Click the ‘Link’ for the Module you wish to open and work on.
6. When finished working on the module, click the ‘Save’ button.
Working Through a Draft Notification

Authorized e-permitting users have the ability to create Draft Notifications by completing modules and saving them at any time within the e-permitting Application.

Types of Data Fields

Users will encounter several different Data Field Types when working through their applications. Some samples of these types of data fields are below.

1. **Check Box** – a ‘check box’ is clicked to select the value next to it. You may click it a second time to deselect it.
   
   Example:  
   
   [ ] Denied

2. **Text Box** – a ‘text box’ is a box where users can enter text manually or paste text that was copied from another application.
   
   Example:  
   
   City:

3. **Radio Button** – a ‘radio’ button is used to select one item from a series of items. Only one button in the grouping can be selected.
   
   Example:  
   
   Is the above information accurate?  
   [ ] Yes  [ ] No

4. **Drop-down Menu** – a ‘drop-down’ menu is a menu you click on to display a list of items. You will click the item you wish to select from the list for it to display as the selected item from the list.
   
   Example:  
   
   State:  
   Pennsylvania

5. **Button** – a ‘button’ is used to operate the command shown on the button. In the example below, the ‘Save’ button saves the data that had been entered onto the screen.
   
   Example:

Unlocking Non-Required/Optional Modules

The e-permitting Application allows authorized users the ability to add additional, non-required information to the application by “unlocking” optional modules from the e-permit Authorization Overview page.

1. From the ‘Authorization Overview’ page for a draft permit in the e-permitting application, click the ‘check box’ beside the optional module under the Included column to unlock the module.

2. Click the ‘Save’ button.

3. Click the name of the module under the ‘Go To’ column to view and complete the module.
Entering Data into Your Draft Application

The e-permitting Application is a dynamic application which means it can change based on the information entered into it. Users may notice that, depending on the answers given in some areas, the application will add additional questions or perhaps even require additional modules.

1. While working in a draft application in the e-permitting application, click the link for an unfinished module.

2. Complete all data fields in the module, including all required fields.
   **Note:** A required field is indicated by an asterisk * to the right of the field title. The module will not be considered complete until all required fields have been completed.

3. Upload all required attachments.
   **Note:** Certain modules require attachments to be uploaded to the application. They will be listed in the ‘Missing General Attachments’ grid.

4. Click the ‘Save’ button to save your changes at any time while working on the module.
   **Note:** You can return to the module to complete it at another time.

5. You may encounter an error message when saving a module if something was entered incorrectly.

6. You will see a message indicating if the module was saved successfully or not saved successfully.

7. Click the ‘Completeness Check’ button to verify all required information has been completed for the module.
Note: If a module is not complete, you will see a list of items needed to be finished before the module can be considered complete.

8. Click the ‘Close’ button.

9. Click the ‘Back’ button to return to the ‘Authorization Overview’ page.

10. When the module is complete, a green check in a circle 🔄 will be next to the module name under the ‘Status’ heading.

**Uploading Attachments**

Several modules within the e-permitting application require attachments to be included with the submission. Authorized users will need to include these attachments for the module to be considered complete. Authorized users are also able to add additional, and non-required attachments to their submission.

Users will have the ability to Upload a New Attachment or Drag and Drop the files from the Desktop into the ‘Gray’ area of the pop-up window.
1. Click the ‘Upload New Attachment’ button in the ‘General Information Attachments’ section or the ‘Attach’ button in the ‘Missing General Attachments’ section.
2. The ‘Upload Attachment’ window opens.
   **Note:** If the user selected the ‘Attach’ button in the ‘Missing General Attachments’ section, the ‘Document Type’ field is prepopulated with the name of the document.
3. Select the ‘Attachment Type’ from the ‘Document Type’ drop-down menu.
4. Select the ‘Browse’ button to open a ‘Windows Explorer’ window to browse to and select the file.
5. Users may enter a ‘Document Name and Description’ if they so choose.
6. Click the ‘Upload and Save’ button.
7. Users may click the ‘Reset’ button to clear the contents of all fields and start over.
Submitting a Notification

Authorized e-permitting users have the ability to submit Notifications after completing all the appropriate required and non-required/optional modules.

**Submitting Notifications**

1. From within the ‘e-permitting’ application, complete all required and selected optional modules.

![ePermit Authorization Overview](image)

2. After all modules have been completed, you’ll need to press the ‘Submit’ button on the ‘Authorization Overview’ screen to submit the Notification.
Viewing a Previously Submitted Permit Application

e-permitting users have the ability to view previously submitted Notifications.

**Viewing Submitted Notifications**

1. From within the e-permitting application, click the ‘Received by DEP’ tab on the ‘e-permit Dashboard’ page.
2. Click the ‘View’ button to view the Permit.

The submitted Notification will display.
