

2020 BITUMINOUS MINE OFFICIALS' COMPETENCY COURSE

*****PLEASE POST FOR EMPLOYEES TO READ*****

COMPETENCY CERTIFICATION – All individuals who plan to take the Bituminous Mine Officials' Examination after April 2009 are required to possess a Certificate of Competency for Gas Detection and Mine Ventilation.

Applicants must have the minimum years of underground experience for certification as stated in Section 202, Qualifications of Certifications, of the Pennsylvania Bituminous Coal Mining Laws before they will be issued a Certificate of Competency for Gas Detection and Mine Ventilation.

Individuals wishing to be certified must attend **all three days** of the course and demonstrate their competency in gas detection and mine ventilation. A 10-digit calculator is required for training.

PLEASE NOTE: Individuals who possess an Act 311 Gas Detection Card and have no PA state mine official certification prior to May 2009 must take the required 3-day course to be eligible for the mine officials' examination.

Classes will be held at the DEP New Stanton Office, 131 Broadview Road, New Stanton, PA, 15672, from 8 a.m. to 4 p.m. on the following dates:

January 21, 22, 23

February 18, 19, 20

~~April 21, 22, 23~~ CANCELED

~~May 19, 20, 21~~ CANCELED

~~July 21, 22, 23~~ CANCELED

~~September 8, 9, 10~~ CANCELED

October 20, 21, 22

The above **2020** schedule is subject to change depending on industry needs. Classes with less than 10 individuals scheduled may be cancelled and applicants rescheduled.

To register, please e-mail RA-EPBMSREG@pa.gov or the Bureau of Mine Safety at 724.404.3139.

If registering by email, please show 'BMOCC' and the 'class date' in the 'subject' line. The e-mail message must include the name of applicant(s) and a contact phone number and email address.
