WHEREAS, the Department has stated that no additional approvals are necessary or required for the construction, operation and maintenance of the Treatment Systems beyond those contained in the CO&A; and

WHEREAS, Settlor represents that, to the best of its knowledge, the Treatment Systems were constructed and are operating in compliance with the CO&A.

NOW THEREFORE, in consideration of the foregoing and of the mutual promises and undertakings of the parties as set forth herein, and with the intention of being legally bound hereby, the parties agree as follows:

ARTICLE ONE

ESTABLISHMENT OF TRUST

§1.1 The Settlor and the Trustee hereby establish this Trust for the benefit of the Department, or its successor, to be utilized for the primary purpose of financing the long-term operation and maintenance of the Treatment Systems constructed pursuant to the CO&A.

§1.2 The Settlor and the Trustee intend for the Department to be legal beneficiary of this Trust and to have all rights of a beneficiary under the law, as well as all rights granted under this Trust Agreement. The Department, as beneficiary, shall have access to the Trust as provided herein.

§1.3 The Trust principal shall consist of:

(a) The initial payment or transfer to the Trustee of Nine Hundred Thousand and 00/100 Dollars (\$900,000.00) by Settlor;

(b) Cash, funds or property transferred from any other person to the Trust and accepted by the Trustee as directed by the Department; and

(c) All investments, reinvestments, assets or proceeds attributable to or derived from the items listed in this Section 1.3.

§1.4 All of the preceding payments, proceeds and assets referred to in Section 1.3 hereof shall constitute the Trust principal, together with all earnings, accretions and profits therefrom, less any payments or distributions made by the Trustee pursuant to the terms of this Trust Agreement, shall constitute the Trust Fund (the "Trust Fund").

§1.5 The Trustee shall establish within the Trust Fund such subaccounts as the Department may direct. The Trustee shall transfer funds between and among such subaccounts as directed by the Department. The Trustee shall manage and make disbursements from the Trust Fund and its subaccounts, if any, in accordance with the provisions of ARTICLE TWO, Distribution Payments and ARTICLE THREE, Trust Management, as set forth in this Trust Agreement.

§1.6 The Trust Fund held by the Trustee pursuant to this Trust Agreement shall not be subject to assignment, alienation, pledge, attachment, garnishment, sequestration, levy or other legal process, either voluntary, involuntary or by operation of law, by, on behalf of, or in respect of the Settlor and shall not be subject or applied to the debts, obligations or liabilities of the Settlor, including, without limitation, any direct action or seizure by any creditor or claimant under any writ or proceeding at law or in equity. Furthermore, the Settlor shall have no legal title to any part of the Trust Fund, and it is the intention of the parties to this Trust Agreement

that Settlor's entry into the Trust shall extinguish and remove all of Settlor's interest in the Trust from Settlor's estate under the Bankruptcy Code or similar laws.

§1.7 The payment made to the Trust by the Settlor shall be irrevocable once made, and upon delivery thereof, by or on behalf of the Settlor, all interest of the Settlor therein shall cease and terminate, and no part thereof, nor any income therefrom, shall be used for or devoted to purposes other than for the exclusive benefit of the Department and the Trust provided herein.

§1.8 The Trust Fund shall be held, administered, invested and reinvested by the Trustee, IN TRUST, as herein provided, and all distributions therefrom shall be made in accordance with the provisions of this Trust Agreement.

§1.9 The payment made by the Settlor into the Trust shall be in the form of cash, bank checks, bank wire transfers or other negotiable instruments acceptable to the Trustee. The Trustee shall have no responsibility for the amount or adequacy of such payment or collection thereof, but the Trustee shall notify the Department of any deficiency in the payment required to be made by the Settlor whenever the Trustee has knowledge of such deficiency.

ARTICLE TWO

DISTRIBUTION PAYMENTS

§2.1 The Trustee shall make distribution payments from the Trust upon the written order of the Department and the Department shall designate the subaccount, if any, from which such disbursement payment shall be made. The Department shall have the authority to designate, in writing, any person or entity to receive distribution payments from the Trust. The Trustee shall, upon receipt of written order for distribution payment from the Department, make distribution payments from the Trust as directed in the Department's written order. The Trustee

§2.2 The Trustee is authorized and shall, upon the written order of the Department, enter into contracts and take title to real and personal property and interests therein as necessary to carry out the purposes of the Trust. This authorization is in addition to the other powers granted to the Trustee by this Trust Agreement with regard to the retention and compensation of agents. Any property acquired or services provided under this provision shall not be deemed to be acquired or provided to the Trustee or the Department, but shall be deemed to be acquired or provided on behalf of the Trust, and the Trustee shall not incur any liability under the Trust when acting in accordance with the provisions of this paragraph.

§2.3 Except as provided by this Trust Agreement, no disposition of monies from the Trust Fund shall be made unless directed, in writing, by the Department.

ARTICLE THREE

TRUST MANAGEMENT

§3.1 The Trustee shall invest and reinvest the principal and income of the Trust and keep the Trust invested as a single fund, without distinction between principal and income. The Trustee shall add to principal any income not distributed pursuant to the provisions of this Agreement.

§3.2 The Trustee shall discharge its investment duty solely in the interest of the Department as beneficiary of this Trust and, subject to section 3.3(i), the Trustee shall seek to manage the Trust with that degree of judgment, skill and care under the circumstances then

(d) The Trustee may invest in any interest bearing bank account or "money market" account.

(e) The Trustee may sell at public or private sale any shares acquired under this article.

(f) In regard to any shares or other equity interests the Trustee may hold, the Trustee may join in any merger, reorganization, voting-trust plan or any other concerted action of owners or shareholders.

(g) The Trustee, in the exercise of its investment powers, may utilize puts and calls, short sales, options and warrants or other investment strategies generally recognized as prudent when utilized to enhance returns, reduce risk or mitigate loss.

(h) The Trustee may hold cash awaiting investment or distribution for a reasonable period of time, provided however, where possible and consistent with sound investment practices, shall invest such cash in overnight investments.

(i) The Trustee shall not be responsible for any losses incurred hereunder whether it is due to market fluctuations or otherwise, except in the case of its gross negligence or willful misconduct or that of its agents.

ARTICLE FOUR

§4.1 Without in any way limiting the powers and discretion conferred upon the Trustee by the other provisions of this Trust Agreement or by law, the Trustee is expressly authorized and empowered:

(a) To make, execute, acknowledge and deliver any and all documents of transfer and conveyance and any and all other instruments that may be necessary or appropriate to carry out the power herein granted.

(c) To deposit any cash in the Trust in interest-bearing accounts maintained by the Trustee, to the extent such are insured by an agency of the Federal or State Government or otherwise secured as provided under the laws of the Commonwealth of Pennsylvania.

(d) To hold title to real and personal property and to generally exercise all rights and privileges appurtenant to any property held by the Trustee as may be necessary to preserve, protect, maintain, operate, transfer convey or sell such property, and to execute and deliver any and all instruments which may be necessary or expedient in any powers granted under this Trust Agreement.

(e) To purchase public liability insurance and fire insurance when directed to do so by the Department, to cover the activities associated with the real and personal property held by the Trust.

The Trustee shall be protected, to the extent permitted by law, in acting in good faith on the advice of counsel.

§5.2 The Trustee shall not be required to furnish any bond or security in any jurisdiction.

§5.3 No person dealing with the Trust or the Trustee shall be obligated to inquire as to the authority of the Trustee in connection with the acquisitions, investment, management or disposition of the Trust assets or in connection with the exercise of any other power granted under this Agreement.

ARTICLE SIX

CLAIMS

§6.1 The Trustee shall not initiate, terminate, settle, compromise or otherwise adjust claims in favor of or against the Trust without the written consent of the Department.

§6.2 The Trustee shall give prompt written notice to the Department of each claim in favor of or against the Trust, specifying the amount and nature of such claim. The Trustee shall also give prompt written notice to the Department of any controversies, demands, actions, losses, damages, costs or expenses or any other matter which the Trustee believes is likely to give rise to a claim.

§6.3 The Department shall have the right, but not the duty to: (1) direct the Trustee to initiate, terminate, settle, compromise or otherwise adjust claims in favor of or against the Trust, and (2) participate in the prosecution of or defense against, any claim in favor of or against the Trust. To the extent the Department directs the Trustee to assume prosecution or defense, the Trustee shall retain counsel of the Department's choosing or counsel selected by the Trustee and approved by the Department. If the Department directs the Trustee to assume prosecution or defense of any claim, the Trustee shall prosecute or defend the claim at the expense of the Trust, and the Trustee shall be entitled to assess against the Trust Fund all costs associated with the prosecution or defense. Upon notice to the Trustee that the Department will assume prosecution or defense, the Trustee will not be responsible for the subsequent prosecution or defense nor for any loss ensuing therefrom. If the Department fails to instruct the Trustee with respect to the prosecution or defense of any claim, the Trustee may prosecute or defend any claim at the expense of the Trust, but shall be under no duty to do so, and shall have no liability for its failure

or refusal to prosecute or defend the claim if deems such action to be in the best interest of the Trust.

ARTICLE SEVEN

EVALUATION AND REPORTS

§7.1 The Trustee shall at least quarterly furnish to the Department a statement providing an accounting of all transactions involving the Trust and confirming the value of the Trust. Such statement shall value Trust investments at market value, which shall be that market value, determined not more than thirty (30) days prior to the date of statement.

§7.2 The Trustee shall be responsible for the keeping of all appropriate books and records relating to the receipt and disbursement of all monies and assets under this Trust Agreement. In addition, whenever called upon to do so, the Trustee shall exhibit to the Department all documents, instruments or reports relating to the Trust or the Trust Fund. The Trustee shall also cause to be prepared all income tax returns required to be filed with respect to the Trust and shall execute and file such returns. The Department, upon request, shall furnish the Trustee with such information as may be reasonably required in connection with the preparation of such income tax returns.

ARTICLE EIGHT

§8.1 Compensation of the Trustee and all other reasonable and customary expenses incurred by the Trustee, including fees for legal services rendered to the Trustee, shall be taken and paid from the Trust Fund at the time that the Trustee shall deem appropriate. The Trustee

shall be paid a fee, quarterly in arrears, based on the schedule of fees attached hereto as Schedule "A." The Trustee must provide the Department written notice of any proposed future changes of the Trustee's schedule of fees. The Department has thirty (30) days after receipt of the proposed changes to approve or disapprove the proposed changes to the Trustee's schedule of fees. All future changes to the Trustee's schedule of fees that are approved by the Department shall be reflected in an amended Schedule "A" hereto.

§8.2 (a) The Trust is intended to be categorized, for federal income tax purposes, as a grantor trust in accordance with and under the provisions of United States Treasury Regulation Section 301.7701-4(e)(1), (2), (3) and (4) and any implementing regulations cited therein or any corresponding successor provision. All federal taxes of any kind that may be assessed or levied against or in respect of the Trust shall be paid by the Trustee from the Trust Fund.

(b) Should it be determined this Trust is taxable for federal income tax purposes, the Settlor and Trustee agree the Department shall have the right to appeal the decision to the appropriate authority. Should the Department not prevail on appeal or should federal law change such that the Trust becomes taxable for federal income tax purposes, then the Department shall have the right, but not the duty, to petition the appropriate judicial forum to reform the Trust to be a federal charitable trust or to take other measures to meet the requirements of federal law such that the Trust would not be taxable for federal income tax purposes. If the Department elects not to exercise its right to petition to reform the Trust or to take measures to meet the requirements of federal law for the Trust to become tax exempt, then the Trustee is empowered with the right to petition the appropriate judicial forum to reform the Trust to be a federal charitable trust for federal income tax purposes. Notwithstanding any provision of this

661150.72111 0011110 01.11.11

subsection (b) to the contrary, the Trust may not be reformed such that the purposes and objectives of the Trust cannot be met or that would alter any of the rights, obligations and duties of the Settlor as are provided in this Trust Agreement and in the CO&A.

§8.3 (a) The Trust is intended to be categorized, for state income tax purposes, as a Pennsylvania charitable trust.

(b) Should it be determined this Trust is not a charitable trust or Pennsylvania law changes so this Trust becomes taxable for Pennsylvania income tax purposes, then the amount of the Pennsylvania income tax assessed or levied against or in respect of the Trust shall be paid by the Trustee from the Trust Fund.

(c) If, at any time, it is determined by a taxing authority with jurisdiction in the matter that this Trust is not a Pennsylvania charitable trust, the Trustee agrees the Department shall have the right to appeal the decision to the appropriate authority. Should the Department not prevail on appeal or should Pennsylvania law change such that the Trust becomes taxable for Pennsylvania income tax purposes, then the Department shall have the right, but not the duty, to petition the appropriate judicial forum to reform the Trust to be a Pennsylvania charitable trust or to meet the requirements of Pennsylvania law such that the Trust would not be taxable for Pennsylvania income tax purposes. If the Department elects not to exercise its right to petition to reform the Trust, then the Trustee is empowered with the right to petition the appropriate judicial forum to reform the Trust to be a Pennsylvania charitable trust for Pennsylvania income tax purposes. Notwithstanding any provision of this subsection (c) to the contrary, the Trust may not be reformed such that the purpose and objectives of the Trust cannot be met or that would alter any of the rights, obligations and duties of the Settlor as are provided in this Trust Agreement and in the CO&A.

§8.4 Unless the Department and the Trustee otherwise agree to the contrary, immediately upon the happening of the Trust itself becoming liable for any taxes, the Trustee is directed and empowered (notwithstanding any provision of this Agreement to the contrary) to change the investment objective of the Trust to an objective which minimizes the tax liability of the Trust, giving due consideration to market conditions so as to avoid, to the extent possible, losses on the conversion of existing investments. In carrying out this investment objective, the Trustee shall invest in the following: (i) any bonds or obligations of any state or municipality that are exempt from federal income tax; and (ii) shares of any mutual fund or "money market fund" which has one hundred percent (100%) of its assets invested in bonds or obligations of any state or municipality that are exempt from federal income tax.

ARTICLE NINE

§9.1 The Trustee may resign at any time in accordance with this paragraph. The Trustee's resignation or replacement shall not be effective until a successor trustee has been appointed and such appointment confirmed, in writing, by the Department, which confirmation will not be unreasonably withheld. The successor trustee shall specify the date on which it will assume administration of the Trust, in writing, sent to the Trustee and Department, by certified mail, return receipt requested, not less than ten (10) days before such assumption takes effect.
