As soon as possible after the happening of the Settlor failing, refusing or becoming unable to pay such taxes, except to the extent that the Settlor disputes the payment of such taxes in good faith, the Trustee and the Department shall negotiate and enter into an Agreement in respect of Trustee's payment of the taxes during the continuance of this Agreement. Further, unless the Department and the Trustee otherwise agree to the contrary, immediately upon the happening of the Settlor's failure, refusal or inability to pay any such taxes, the Trustee is directed and empowered (notwithstanding any provision of this Agreement to the contrary) to change the investment objective of the Trust to an objective which minimizes the tax liability of the Trust, giving due consideration to market conditions so as to avoid, to the extent possible, losses on the conversion of existing instruments.
