OIL AND GAS OPERATIONS UNDERGROUND OR PARTIALLY BURIED TANK REGISTRATION FORM INSTRUCTIONS (Unconventional Operations Only)

The following instructions are designed to assist the applicant in properly completing the *Oil and Gas Operations Underground or Partially Buried Tank Registration*, form 8000-FM-OOGM0143U. Pursuant to 25 Pa. Code Section 78a.57(e) (relating to Central Storage and Disposal of Production Fluids), operators must register existing or new underground or partially buried tanks with the Department of Environmental Protection (DEP).

A. APPLICANT IDENTIFICATION

Enter the information as required; name, address, telephone number, email address, and DEP ID No.

Note: The DEP ID No. is the applicant's unique eFACTS identification number provided by DEP.

B. UNDERGROUND OR PARTIALLY BURIED TANK INFORMATION

Check only one box to indicate the type of tank being registered (only one form may be used per tank);

- Existing underground or partially buried tank or
- New underground or partially buried tank

Enter municipality and county where the tank is located.

Enter specific location information for the tank. Provide the true latitude and longitude in decimal degrees. This should be North American Datum of 1983 (NAD 83) and must meet the current DEP policy regarding locational accuracy.

Include US Well Pad ID Number (API No.) for well pads / wells serviced by the tank.

C. APPLICANT SIGNATURE

Submit the *Oil and Gas Operations Well Development Impoundment Transfer* form to the appropriate DEP oil and gas district office.
