RE: Hilcorp Energy Company / Department of Environmental Protection
Docket No. 2013-01

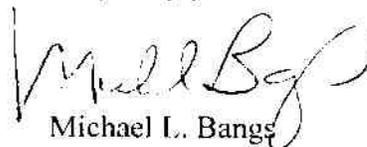

Dear Counsel:

As of today, I have not received any notification that the outstanding Petition to Intervene has been ruled upon by the Agency. As I am going to be out of the office beginning at noon today and will not return until Monday morning, I believe it is the most prudent course of action to continue the hearing generally until such time as the Agency rules on the Petition.

Additionally, so as to resolve any future petitions that may be filed, I have included in this Order a specific requirement that any persons who intend to intervene must do so no later than May 12, 2014.

Upon receipt of the decision by the Agency as to the outstanding Petition to Intervene, I will then issue a revised Order setting forth a new date and time for the hearings in consultation with counsel. It would be my intention to get that scheduled as quickly as possible.

Very truly yours,

Michael L. Bangs
