The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. The General Assembly finds and declares as follows:

(1) The intent of this act is to provide for the implementation of the 2016-2017 Commonwealth budget.

(2) The Constitution of Pennsylvania confers numerous express duties upon the General Assembly, including the passage of a balanced budget for the Commonwealth.

(3) Section 24 of Article III of the Constitution of Pennsylvania requires the General Assembly to adopt all appropriations for the operation of government in the Commonwealth, regardless of their source. The Supreme Court has repeatedly affirmed that, "It is fundamental within Pennsylvania's tripartite system that the General Assembly enacts the legislation establishing those programs which the state provides for its citizens and appropriates the funds necessary for their operation."

(4) Pursuant to section 13 of Article VIII of the Constitution of Pennsylvania, the General Assembly is explicitly required to adopt a balanced Commonwealth budget. Given the unpredictability and potential insufficiency of revenue collections, various changes in State law relating to sources of revenue, the collection of revenue and the implementation of statutes which impact revenue may be required to discharge this constitutional obligation.

(5) Section 11 of Article III of the Constitution of Pennsylvania requires the adoption of a general appropriation act that embraces "nothing but appropriations." While actual items of appropriation can be contained in a General Appropriations Act, the achievement and implementation of a comprehensive budget involves more than subjects of appropriations and dollar amounts. Ultimately, the budget has to be balanced under section 13 of Article VIII of the Constitution of Pennsylvania. This may necessitate changes to sources of funding and enactment of statutes to achieve full compliance with these constitutional provisions.

(6) For the reasons set forth in paragraphs (1), (2), (3), (4) and (5), it is the intent of the General Assembly

through this act to provide for the implementation of the 2016-2017 Commonwealth budget.

(7) Every provision of this act relates to the implementation of the operating budget of the Commonwealth for this fiscal year, addressing in various ways the fiscal operations, revenues and potential liabilities of the Commonwealth. To that end, this act is intended to implement the 2016-2017 Commonwealth budget without specifically appropriating public money from the General Fund. This act provides accountability for spending and makes transfers or other changes necessary to impact the availability of revenue in order to meet the requirements of section 13 of Article VIII of the Constitution of Pennsylvania and to implement the act of July 12, 2016 (P.L.1577, No.16A), known as the General Appropriation Act of 2016.

Section 2. The definition of "cost of the retailer" in section 202-A of the act of April 9, 1929 (P.L.343, No.176), known as The Fiscal Code, added July 2, 1993 (P.L.250, No.46), is amended to read:

Section 202-A. Definitions.--As used in this article--
* * *

"Cost of the Retailer" shall mean the basic cost of cigarettes to the retailer plus the cost of doing business by the retailer in excess of the basic cost of cigarettes, expressed as a percentage and applied to the basic cost of cigarettes. In the absence of filing of satisfactory proof of a lesser or higher cost of doing business by the retailer making the sale, the cost of doing business by the retailer shall be presumed to be [six] **seven** per centum of the basic cost of cigarettes to the retailer. When a retailer establishes a lesser cost of doing business than the presumptive [six] **seven** per centum cost of doing business, such lesser cost of doing business may be used to compute the cost of the retailer for a period of time no greater than twelve months, at the end of which time the cost to the retailer shall be computed using the presumptive [six] **seven** per centum cost of doing business, unless the retailer again establishes a lesser cost of doing business. Any fractional part of a cent in such cost per carton shall be rounded off to the next higher cent. In the case of any person who purchases cigarettes for sale at retail from any manufacturer of cigarettes without resort to a wholesaler as such, such person shall be deemed, for the purposes of this article, to be engaged in the sale of cigarettes as a stamping agent, wholesaler and retailer and as such shall be subject to all mark-up provisions of this article in the order named.

* * *

Section 2.1. Section 214-A of the act, added July 2, 1993 (P.L.250, No.46), is amended to read:

Section 214-A. [Retention of] **Required** Records.--(a) Every licensed dealer shall keep and maintain for a period of four years such records in such form as the department shall by regulation prescribe. The records shall be maintained at the location for which the license is issued.

(b) **A contract of sale complying with the provisions of this article shall be signed by the parties to a sale of cigarettes and shall be kept on file by each party at the location for which the license is issued. In the case of a dealer having more than one location under common ownership, the contract of sale shall be kept at the business or corporate headquarters. A contract of sale shall include, but not be limited to, an actual document or Internet or electronic**

evidence indicating that a transaction for the sale of cigarettes has taken place.

Section 2.2. Section 229-A of the act is amended by adding a subsection to read:

Section 229-A. Violations and Penalties.--* * *

(g) A licensee who fails to pay for cigarettes in full upon delivery by cash, check or electronic fund transfer or according to the contract of sale, requiring full payment no later than fourteen days after delivery, in addition to any other violations provided by law, shall be in violation of this article.

Section 2.3. The act is amended by adding sections to read:

Section 232-A. Preemption.--(a) All powers and jurisdiction over dealers licensed under this article, and regarding or affecting the sale of tobacco products by dealers licensed under this article, shall reside in the Commonwealth unless any such power or jurisdiction is specifically granted to a political subdivision.

(b) This section shall not apply to a city of the first class.

(c) As used in this section, the term "tobacco product" shall have the same meaning as defined in 18 Pa.C.S. § 6305(k) (relating to sale of tobacco).

Section 233-A. Compliance checks.--Notwithstanding the provisions of any other law, a proceeding against a person that is alleged to have sold or otherwise furnished tobacco to an individual under 18 years of age in violation of the provisions of 18 Pa.C.S. § 6305(a) (relating to sale of tobacco) during a compliance check conducted under the provisions of 18 Pa.C.S. § 6305 may only be instituted by the issuance of a citation.
