Dear Mr. Wise,

Thank you for submitting information concerning the above referenced project. The Pennsylvania State Historic Preservation Office (PA SHPO) reviews projects in accordance with state and federal laws. Section 106 of the National Historic Preservation Act of 1966, and the implementing regulations (36 CFR Part 800) of the Advisory Council on Historic Preservation, is the primary federal legislation. The Environmental Rights amendment, Article 1, Section 27 of the Pennsylvania Constitution and the Pennsylvania History Code, 37 Pa. Cons. Stat. Section 500 et seq. (1988) is the primary state legislation. These laws include consideration of the project's potential effects on both historic and archaeological resources.

Volume II, Architectural History, Addendum 6

The PA SHPO does not have any comments.

Like Cemetery and Stephens Cemetery

In our opinion, both cemeteries should be protected by safety fencing, and monitoring should take place during construction to ensure the neither cemetery is damaged.

If you have questions, please contact Cheryl L. Nagle at 717.772.4519 or chnagle@pa.gov.

Sincerely,

Douglas C. McLearn, Chief
Division of Archaeology and Protection
