Hegins Township, Schuylkill County

Dear Mr. Dean:

The Department of Environmental Protection (DEP) has reviewed the above referenced application package and has identified the following technical deficiencies:

1. Please revise the Environmental Assessment (EA) to be consistent with and correspond to any and all changes made to the 105 Joint Permit Application for this project.
2. Please address pertinent sections of the attached public comments submitted to DEP in response to the *Pennsylvania Bulletin* posting on September 28, 2019.

You must submit a response fully addressing each of the technical deficiencies set forth above. Please note that this information must be received within sixty (60) calendar days from the date of this letter, on or before **June 2, 2020**, or DEP may consider the application withdrawn.

You may request a time extension, in writing, to respond to the deficiencies beyond the sixty (60) calendar days. The request must be received prior to the response due date. Requests for time extensions will be reviewed and considered by DEP. You will be notified in writing of the decision either to grant or deny, including a specific due date to respond if the extension is granted.

If you believe that any of the stated deficiencies is not significant, instead of submitting a response to that deficiency, you have the option of asking DEP to make a decision based on the information with regard to the subject matter of that deficiency that you have already made available. If you choose this option with regard to any deficiency, you should explain and justify how your current

submission satisfies that deficiency. Please keep in mind that if you fail to respond, your application may be withdrawn or denied.

If you have questions about the identified incompleteness items, please contact Katie Seymore at 717-705-6026 or by email at [kseymore@pa.gov](mailto:kseymore@pa.gov) and refer to the Application number referenced above. You may also follow your application through the review process, please visit eFACTS on the Web at: <http://www.ahs2.dep.state.pa.us/eFactsWeb/default.aspx>.

Sincerely,

Kevin S. White, P.E.  
Environmental Group Manager
