RE: Sunoco Pipeline L.P. – Pennsylvania Pipeline Project  
Floodplain and Stormwater Management Program Consistency  
Allegheny, Blair, Frankstown, Juniata and Woodbury Townships, Blair County, PA

Dear Ms. Batoon:

The Blair County Planning Commission is in receipt of the request for Stormwater and Floodplain Management Consistency request for the Sunoco Pipeline L.P. Pennsylvania Pipeline Project. We thank you for including us in the planning process for this project; however, since Blair County does not have either a countywide Stormwater Management Ordinance or a Floodplain Management Ordinance, we will defer all technical reviews concerning stormwater and floodplain to the local municipalities.

Thank you again for our inclusion on reviewing this project. If you should have any questions, please feel free to contact us.

Sincerely,

Jamie L. Klink  
Assistant Planner
