In Re: Sunoco Pipeline L.P., Pennsylvania Pipeline Project

Dear Ms. Batoon,

Please be advised that the Township has a local Stormwater Management Plan effective in the project area. After studying the proposed activity, it was found that the above referenced project is consistent with the local Stormwater Management Plan.

In regard to the Floodplain Management Plan, the above mentioned project is not located in the boundary of the FEMA Flood Insurance Study and therefore this project has no effects on the Floodplain Management Program effective in the Township.

Sincerely,

Jenna Seesholtz  
Director of Administration
