Re: Hydrogeological Re-Evaluation Report  
Creek Road/Conodoguinet Creek Crossing Horizontal Directional Drill Location (S2-0181)  
Permit No. E21-449  
North Middleton Township, Cumberland County

Dear Mr. Gordon:

The Department of Environmental Protection has reviewed the supplemental HDD analysis submitted for the Creek Road/Conodoguinet Creek Crossing, Permit No. E21-449 Horizontal Directional Drill Location S2-0181, on November 29, 2017.

Based on the Department's review of the HDD re-evaluation report, the Department believes that it is critical to have Sunoco management and/or appropriate Sunoco technical representatives on-site while the HDD operation is being conducted. Sunoco shall notify the Department, by phone call or email to Andrea Blosser or Ron Eberts Jr., at least 24 hours in advance of commencement of the HDD with who will be representing Sunoco in oversight of this HDD. Ms. Blosser or Mr. Eberts can be reached at 717.705.4763 and 717.705.4819 or [ablosser@pa.gov](mailto:ablosser@pa.gov) and [reberts@pa.gov](mailto:reberts@pa.gov) respectively.

Other than as commented upon above, the supplemental information provided in the HDD re-evaluation is otherwise adequate. Subject to the condition set forth above, you may proceed with the permitted HDD activity in the manner proposed in your re-evaluation and in accordance with all applicable permit terms and conditions.

If you have additional questions, please call Ed Muzic at 717.705.4765 or email at [emuzic@pa.gov](mailto:emuzic@pa.gov).

Sincerely,

Scott R. Williamson  
Program Manager  
Waterways & Wetlands Program
