RE: Hydrogeological Reevaluation Report  
HDD S2-0080-16, E11-352  
Spinner Road Crossing  
Munster Township, Cambria County

Dear Mr. Gremminger:

The Department of Environmental Protection (DEP) reviewed Sunoco Logistics L.P.'s (SPLP) Horizontal Directional Drill (HDD) Reevaluation Report submitted on February 14, 2019. The HDD Reevaluation Report was posted on the DEP Mariner East II pipeline portal webpage on February 14, 2019.

DEP received and reviewed public comments on the HDD Reevaluation Report. DEP undertook further evaluation and concluded that the concerns raised were adequately addressed.

The DEP's review of the geologic aspects of this HDD re-evaluation were completed by a Licensed Professional Geologist.

As part of the HDD Reevaluation Report, SPLP has proposed a redesign of the profile to go deeper into competent bedrock. SPLP may proceed with the permitted activity in accordance with the measures set forth in SPLP's HDD Reevaluation Report submitted February 14, 2019 and in accordance with all applicable permit terms and conditions.

If you have any questions regarding this matter, please contact me at 412.442.4149, or by email at [dadrake@pa.gov](mailto:dadrake@pa.gov).

Sincerely,
