Re: Violations of the Clean Stream Law
Pennsylvania Pipeline Project (a.k.a. Mariner East 2)
Permit Nos. E15-862 and ESG 01 000 15 001
East Goshen Township
Chester County

Dear Mr. Gordon:

On October 25, 2017, the Department of Environmental Protection (“DEP”) received notice of an inadvertent release of drilling solution at HDD Site S-3-0500 near 439 Gateswood Drive in East Goshen Township, Chester County. DEP conducted inspections of this area on October 25, 2017; copies of the inspection reports are enclosed. The drilling solution was discharged to an upland area and traveled to and discharged into a storm sewer inlet, by definition, a water of the Commonwealth. Drilling solution is an “industrial waste” under Section 301 of the Clean Streams Law, 35 P.S. Section 691.301. The discharge of industrial waste to waters of the Commonwealth is a violation of the Clean Streams Law.

DEP Permits E15-862 and ESG 01 000 15 001, and paragraph 15 of the Corrected Stipulated Order (“Order”) entered by the Environmental Hearing Board on August 10, 2017, require permittee(s) to follow their revised “*HDD Inadvertent Return Assessment, Preparedness, Prevention and Contingency Plan* (revised August 8, 2017) (“IR PPC Plan”) that is part of the approved plans in the aforementioned permits to reduce, minimize, or eliminate a pollution event.

DEP acknowledges your response and clean-up efforts to the above-referenced violation. Please be advised that DEP and/or the Chester County Conservation District will conduct additional inspections of the site. If future inspections reveal that corrective actions have not been made and/or additional violations have occurred, DEP may initiate enforcement action.

This Notice of Violation is neither an order nor any other final action of DEP. It neither imposes nor waives any enforcement action available to DEP under any of its statutes. If DEP determines that an enforcement action is appropriate, you will be notified of the action.

I look forward to your cooperation in this matter. If you have any questions, please call Mr. Frank De Francesco, Compliance Specialist, at 484.250.5161.

Sincerely,

Domenic Rocco, P.E.
