Dear Mr. Gordon:

On August 29, 2017, the Department of Environmental Protection (“DEP”) received notice of an inadvertent release of drilling solution at HDD Site S-3-0290 in the vicinity of Green Valley Road in Upper Uwchlan Township, Chester County. DEP conducted inspections of this area on August 29, 2017, and August 30, 2017; copies of the inspection reports are enclosed. The drilling solution was discharged to an unnamed tributary to Blue Marsh Lake, a water of the Commonwealth. Drilling solution is an “industrial waste” under Section 301 of the Clean Streams Law, 35 P.S. Section 691.301. The discharge of industrial waste to waters of the Commonwealth is a violation of the Clean Streams Law.

DEP acknowledges your response and clean-up efforts to the above-referenced violation. Please be advised that DEP and/or the Chester County Conservation District will conduct additional inspections of the site. If future inspections reveal that corrective actions have not been made and/or additional violations have occurred, DEP may initiate enforcement action.

This Notice of Violation is neither an order nor any other final action of DEP. It neither imposes nor waives any enforcement action available to DEP under any of its statutes. If DEP determines that an enforcement action is appropriate, you will be notified of the action.

Mr. Mathew Gordon
