

Single Hauler Residential Trash & Recycling

"The city will see a difference," Devaney said. "We're going to see a reduction in our disposal rate and an increase in our recycle rate. "We'll see a decrease in the amount of litter and a decrease in tax money being spent to clean up illegal dumps. That's the goal."
---Mike Devaney, City of Lancaster Solid Waste & Recycling Manager
Intelligencer Journal, September 19, 2006

Total Single Hauler Customers
