## OPPORTUNITIES

### Calling All College Students!

[Applications for summer internships with the Commonwealth of Pennsylvania are open.](#)

DEP currently has 40 internship opportunities available in 8 different counties. DEP Internships provide an exciting opportunity for students to learn about and assist with the environmental protection activities of various program areas within the agency. Most positions require applicants to have completed their freshman year, be enrolled in a full-time bachelor's or advanced degree program at an accredited college or university, and be in good academic standing. Join us as we work towards our mission to protect Pennsylvania's air, land, and water from pollution and provide for the health and safety of PA citizens through a cleaner environment! DEP internship opportunities will be closing throughout the month of March so don't wait until the end of the semester. Apply today!
