

Public Notice

(FYI)—The meeting should be scheduled within 30 days of Pennsylvania Department of Environmental Protection accepting a permit that is in an environmental justice area. (delete this part—not part of the publication)

Notice of Public Informational Meeting

The public is invited to a community *style of meeting (examples—open house, meeting)* regarding *Company Name* application for a *type of permit*. The *style of meeting* will be held on *date* from *time span* at *location (location name, full address and zip code)*. The permit application is available for review at the *local location* from *hours of operation (location name, full address and hours of operation and phone number)* or by appointment at the *Pennsylvania Department of Environmental Protection Regional Office address and phone number*. For more information about this meeting, call *person's name and Company and phone number* or DEP's *contact person and number*. This meeting is part of the environmental justice (EJ) enhanced public participation process that will allow community stakeholders and elected officials an opportunity to ask questions of *name of Company's* permit application. *Name of Company* will host the meeting and be available for inquiries. DEP will also be in attendance to answer statutory and regulatory related questions relating to the permit application.
