June 05, 2015

The Honorable John Quigley, Secretary
Department of Environmental Protection
P. O. Box 2063
Harrisburg, PA 17105-2063

Dear Secretary Quigley:

I am writing to inform you of actions taken by the Radiation Protection Advisory Committee (RPAC) at its June 04, 2015 meeting.

At the RPAC meeting, the Department reported that there were no public comments received in response to the publication in the Pa. Bulletin of the proposed Radiological Health Regulation – Chapter 215 General Provisions, referencing the new 10 CFR Part 37 Nuclear Regulatory Commission (NRC) security regulation. The amendment is intended to incorporate by reference the NRC security rule.

The Committee voted unanimously to concur with the Department's recommendation to present the proposed rulemaking amendment to the Environmental Quality Board, for consideration for adoption and publication as final rulemaking.

If you have any questions regarding this action, please call me at 215.955.7813 or email me at John.Keklak@jefferson.edu.

Sincerely,

John Keklak, CHP
Chair
