Re: Erie Coke Corporation
City of Erie, Erie County
Expired Title V Operating Permit No: 25-00029

Dear Mr. Nesselbeck:

On September 11, 2019, the Department of Environmental Protection ("Department") conducted an inspection at Erie Coke Corporation. The following violation was observed:

During coke pushing of oven 2, visible fugitive air contaminants of greater than 20% opacity were observed escaping from the coke side shed in violation of 25 Pa. Code § 129.15(c), and Expired Title V Operating Permit, Section D, Source 802, Condition #001(c).

Any violation of the Air Pollution Control Act subjects a person to enforcement actions, including civil and criminal penalties. Each day the violation continues constitutes a separate offense.

This Notice of Violation is neither an order nor any other final action of the Department. It neither imposes nor waives any enforcement action available to the Department under any of its statutes. If the Department determines that an enforcement action is appropriate, you will be notified of the action.

If you have any questions concerning this matter, please contact me at 814-332-6977.

Sincerely,

Edward J. Painter
