RE: SSIP Application 12021 for 2 ASTs (New Facility)

Dear Mr. Heller:

We received your Site Specific Installation Permit (SSIP) application for the installation of two aboveground storage tanks (AST) at Perdue Grain & Oilseed, LLC – Soybean Processing Facility, Conoy Township, Lancaster County. It has met administrative completeness requirements and I have forwarded it on for technical review.

The application has been assigned a number for tracking purposes only, and it should be referenced on all correspondence relating to the SSIP application. The number is SSIP 12021.

Your application has been entered into our department-wide data system for tracking and coordination. This process has assigned a unique Client ID #296620 and Site ID #762909. These identification numbers will remain with your company for all activities involving the department; record and keep them for future reference and use.

If you have any questions regarding the status of your permit application, please contact me at the telephone number below.

Sincerely,

Eric Lingle  
Registration, Permitting & Certification Section  
Division of Storage Tanks
