Subject: Bishop Tube Site - Amended DSWWP and Expanded Groundwater Monitoring Plan

Greg,

DEP has reviewed Roux's response to our August 8, 2018, letter commenting on the Discharge to Surface Water Work Plan (DSWWP) and plans for expanded downgradient groundwater monitoring at the Bishop Tube Site. DEP has no further comments on these plans.

Please proceed with the field work as soon as possible, and keep us informed of the schedule moving forward.

Thanks -- DA
