Dear Mr. Stone:

The purpose of this notice is to inform you that Elcon Recycling Services, LLC will be applying for the following permit coverage(s) from the Pennsylvania Department of Environmental Protection (PA DEP): PA DEP Individual NPDES Permit.

Acts 67, 68 and 127 of 2000, which amended the Municipalities Planning Code (MPC) to direct State agencies to consider Comprehensive Plans and Zoning Ordinances when reviewing applications for permitting of facilities or infrastructure, and specify that State agencies may rely upon Comprehensive Plans and Zoning Ordinances under certain conditions as described in Section 619.2 and 1105 of the MPC.

Enclosed is a copy of the Land Use Information Questions completed by the Applicant for this project. PA DEP invites you to review the attached information and comment on the accuracy of answers provided with regard to land use aspects of this project; please be specific to PA DEP and focus on relationship to Zoning Ordinances. If you wish to submit comments to PA DEP to become part of a land use review of this project, you must respond within thirty (30) days to the PA DEP regional office referenced in this letter. If there are no land use comments received by the end of the comment period, PA DEP will assume that there are no substantive land use conflicts and proceed with the normal application review process.
