

The McKean County Mosquito Control Program will be conducting a truck mounted ultra-low volume (ULV) mosquito control operation in Annin Township, Otto Township, Eldred Township and Eldred Borough, McKean County. Residential and recreational areas will be sprayed for adult mosquitoes. The control work will begin late evening on Thursday June 17th. Weather conditions, surveillance data, and other unexpected events could delay or cancel this spray operation. If this operation is cancelled due to weather conditions, it will be rescheduled Thursday June 24<sup>th</sup>.

The truck mounted ULV spray will be conducted by McKean Environmental Solutions LLC in cooperation with the Pennsylvania Department of Environmental Protection. The product used will be Biomist 3+15 applied at a rate of 0.75 oz/ac. Please call 814-598-3652 if you have any questions or concerns.
