DETAILS ON REVERSE

Description of Agenda for the Small Business Compliance Advisory Committee's Quarterly Meeting – April 27, 2022

Environmental Management Assistance Program (EMAP) Report – Jeremy Hancher, Program Manager, EMAP, will provide a status report on EMAP activities. Mr. Hancher can be contacted at 610-499-4109 or jwhancher@widener.edu. For more information on EMAP, visit www.askemap.org.

Small Business Ombudsman Report – Samantha Harmon, DEP's Small Business Ombudsman (SBO), will report on the activities of the SBO Office. Ms. Harmon can be contacted at 717-783-0909 or saharmon@pa.gov.

Draft Final-Form Rulemaking for Additional RACT Requirements for Major Sources of NOx and VOCs for the 2015 Ozone NAAQS (RACT III) – Sean Wenrich, Environmental Engineer Manager, Bureau of Air Quality, will discuss the draft final-form RACT III rulemaking. This draft final-form rulemaking amends Chapter 129 (relating to standards for sources) to adopt RACT requirements and RACT emission limitations for major stationary sources of oxides of nitrogen (NOx) and volatile organic compound (VOC) emissions in existence on or before August 3, 2018. Mr. Wenrich can be contacted at 717-772-3979 or sewenrich@pa.gov.

Pennsylvania DEP's Environmental Justice Policy – Justin Dula, Director of the Office of Environmental Justice, will present on DEP's Environmental Justice Policy revision, which is currently open for public comment until May 11. The presentation will highlight the features of the updated policy, replacing the existing policy which has been in place since 2004. It moves beyond public participation in the permitting process to look at ways DEP can further environmental justice goals in compliance, enforcement, grantmaking, and other aspects of DEP's work. Mr. Dula can be contacted at 484-250-5820 or jdula@pa.gov.

The next meeting is scheduled for Wednesday, August 24, 2022.
