The public comment period began on November 18, 2006 and closed on December 22, 2006. A public hearing was held on December 19, 2006.

COMMENTATORS:

Reading, PA 19601

COMMENT: The 1st paragraph under the "Ozone Transport" discussion on page 13 of the Reading document is in error. The reference to the "Methodist Hill monitor" on South Mountain was presumably cut/pasted by mistake from the Franklin County request. (1)

RESPONSE: The commentator is correct. The appropriate correction has been made to the request for redesignation to remove the reference to the Franklin County monitor.
