APPENDIX A. Adaptation Matrix: Risks and Vulnerabilities

[The template is Arial font size 12 for text. The headings are bolded. Single space, block style. Follow “Weathering Climate Change” report format.

- Length guideline: 1 paragraph for each topic in narrative style, except 2 to 3 paragraphs for Recommendations—include practical actions, changes in what we’re doing, new approaches, sources of funding, and vehicles for implementation.

Case studies are optional, as Boxed Text.]
