

Climate Change Adaptation
Tourism and Outdoor Recreation Working Group
Agenda – November 16, 2010

If you are interested in participating via conference call, the Dial-In number is **866-683-1803** and the conference ID pin is **0528**.

Attendance/Introductions

Goals and process

- 1) End goal—an adaptation plan that includes:
 - a. summary of initially defined vulnerabilities and risks with a process to permit/encourage a dynamic list
 - b. Identification of strategies to address vulnerabilities and risks that includes practical strategies and/or a data/research needs list
 - c. Prioritize list of strategies
 - d. Recommend both short term and long term plan to adapt beyond immediate priorities

- 2) Process
 - a. vulnerabilities
 - b. risks
 - c. implementation strategies and data gaps
 - d. prioritization (short term) and long term plan

- 3) Meeting goals
 - a. *May 27 meeting*: Brainstorm session to ID vulnerabilities and risks
 - b. *July 20 meeting*: Review work of May meeting and draft matrix; identify practical adaptation strategies and data currently available and data gaps to address each defined risk area
 - c. *September 30 meeting*: review work of July meeting, prioritize adaptation strategies
 - d. *November 16 meeting*: draft report presented to work group; discuss edits/revisions
 - e. **Revised deadline - November 22**: report submitted to DEP and Climate Change Advisory Committee. Final report to be released in January 2011.

November 16 Meeting –

- Review draft report that identifies and prioritizes adaptation strategies for Tourism to include case studies.
- Discuss edits and revisions
- How to incorporate into template for final report covering all four working groups
