

## INSTRUCTIONS FOR THE ON-LINE APPLICATION

### Agriculture Energy Rebate Program

Rebate must be submitted through the Department of Community and Economic Development's (DCED) Electronic Single Application (ESA) website. **Paper, e-mailed or faxed copies will not be accepted.** The link to the on-line application can be found at:

<https://www.esa.dced.state.pa.us/Login.aspx>

This document provides step-by-step instructions on how to apply and upload the required documentation in the ESA application. All information needed for your submission will be contained in this online application.

**No documentation needs to be mailed to DEP. It is not necessary to send any documents, copies of applications or signature pages to DEP.**

#### User Tips

- The Electronic Single Application works best when accessed through Internet Explorer or Google Chrome.
- If you allow your screen to sit idle for more than 30 minutes, you will lose the data entered since your last save and will have to re-enter it. Save frequently.
- When completing the application, fields with a “” are required fields. If a required field is skipped, you will be notified later in the application to return to that section to complete the field.
- Do not use special characters in the fields such as \, /, \*, &, %, #, etc.

**If you have questions completing the application, please call the DCED Customer Service Center at 1-800-379-7448. They are open 8:30 am-5:00 pm EST Monday thru Friday.**

#### Note regarding receipt of payment if application is approved:

If you have a SAP Vendor Number, please use this number when submitting your application. This can be found on the Applicant Information Tab in the electronic application. If you do not have a SAP Vendor number, you have the option to apply for one so that you can receive any grant/rebate payment by ACH deposit instead of by check. If you choose not to apply for a SAP Vendor number to receive your payment by ACH, you will receive your payment in check form sent via US Mail. Please ensure your up to date address is used on the application, as this is the address to which the check will be mailed. Please note, when receiving payment by check, some programs require that a W-9 form be included with your application submission.

If you do not have an SAP Vendor Number and would like to register to receive one, visit the PA Supplier Portal at [www.pasupplierportal.state.pa.us](http://www.pasupplierportal.state.pa.us). If you already have an SAP Vendor number, but need to make address or bank account changes, you may also use the PEPP form for these changes if your SAP Vendor number begins with a 6, 7 or 8. If your vendor number begins with a 1, 2, 3, 4, or 5, any changes to your vendor information such as bank account information or address changes must be completed by visiting the PA Supplier Portal.

## Registration and Login

Go to the ESA login page <https://www.esa.dced.state.pa.us/Login.aspx> and follow the instructions for creating a new account or migrating an existing account.

The screenshot shows the PA Keystone Login website interface. At the top, there is a blue header with the PA logo and navigation links for 'Help' and 'Contact Us'. The main content area is divided into two columns. The left column, titled 'General Facts:', contains a bulleted list of instructions for creating a new Keystone Login account, migrating an existing account, and using Keystone Login services. Below this list are links for 'Walkthroughs', including 'Application Walkthrough' and 'Condensed Application Walkthrough'. A note at the bottom of this column states that applications are best applied for using Internet Explorer or Google Chrome. The right column, titled 'Login', includes a 'What's New?' section with a link to a help document, a login form with fields for 'Username' and 'Password', and a yellow 'LOGIN' button. Below the login form is the 'Powered by PA KEYSTONE LOGIN' logo and links for 'Registration', 'Forgot Password', and 'Learn more about Keystone Login'.
