Pennsylvania Department of Environmental Protection, 400 Market Street, Harrisburg, PA 17101

Hazardous Sites Cleanup Program (HSCA). The laundry site had both soil and groundwater issues that had been completed.

Humanity House have been completed. Warehousing began in the late 1800s through 2011 and is located in Williamsport, Lycoming County. The site was used for various industrial purposes including a silk mill, a furniture manufacturer and a few other businesses.

Redevelopment of the property likely would not have happened without the developer for the property and their consultant, an Act 2 approval using the site-specific standard to clean up the site were demolished, and the site remained vacant for several years. Working with the Buffalo Township, Union County, adjacent to Lewisburg. After the facility closed, the buildings on the site were demolished. The Pennsylvania House was a furniture manufacturer from the 1800s until the early 2000s, in Buffalo, New York, and is located in the same area as the current site.

Brownfields can be cleaned up and redeveloped for new industries, businesses, housing, and open space. For five stories of Brownfields renewal, read more.

The mission of the Regional Industrial Development Corporation (RIDC) is to promote industrial, commercial, military, previously mined institutional sites or buildings; or undeveloped land for development or redevelopment. The Tax Increment Financing (TIF) Guarantee Program, administered by the Pennsylvania Economic Development Corporation, provides credit enhancement for TIF projects to improve market access and lower costs. The program provides credit enhancement for TIF projects to improve market access and lower costs. The TIF Guarantee Program is designed for both the experienced as well as the newer practitioner, and uses actual project case studies to demonstrate how the program works.

The Tax Increment Finance (TIF) Guarantee Program is funded by the Commonwealth of Pennsylvania through the Pennsylvania Economic Development Corporation (PEDC). The program provides credit enhancement for TIF projects to improve market access and lower costs. The TIF Guarantee Program is designed for both the experienced as well as the newer practitioner, and uses actual project case studies to demonstrate how the program works.

The Phoenix Awards™ inspire and recognize the creative uses of Brownfield properties that demonstrate a high level of community impact. Winning projects offer a fresh approach to an old problem and serve as models for others to use. The Phoenix Awards™ mandate an approach to revitalization that maximizes the potential of available property for development and economic growth.
