

## Report Viewer for the Pennsylvania Activity and Use Limitation (AUL) Registry

The Pennsylvania DEP Land Recycling Program (LRP) offers a searchable resource that will allow a user to search/review the history of sites that currently are shown in the Pennsylvania Activity and Use Limitation Registry.

This report can be reviewed by the user online, or, may be downloaded to sort through the data at the users' convenience. The data within this report is refreshed on a daily basis.

The fields represented in this report include: Region, County, Municipality, PF ID, PF Name, PF Address, PF Type, Incident ID/Name, AUL Document ID, Remediation ID, Remediation Received Date, AUL Code, Received Date, Action Date, Action, Recorded Date, Terminated Date, and Amended Date.

A summary table also is included on the last page of the report.

The eFACTS Primary Facility number may be used to access further information at the online eFACTS website - <http://www.ahs2.dep.state.pa.us/eFactsWeb/default.aspx>.

An "Export"  button is present at the top of the report. From here, the user may select a preferred format in which to save the data.

### How to use the Reports:

1. When the user opens this feature, the report will show all AUL sites.
2. The user can select one region or any number of regions from which to retrieve data. The user should then click on "View Report" on the right-hand side of the page. At this point, the corresponding data will be retrieved.
3. The user may then review the data online or Select a Format from the options provided and save the report to their own computer for review at a later time.
