

## **Land Recycling Program - Chemical and Physical Properties Database**

Notice: Due to DEP web site security upgrade, the Chemical and Physical Properties Database Web Site will be taken offline after March 31<sup>st</sup>, 2010. For your information, we are posting this list of references to allow you to identify data sources of the Chemical and Physical Properties Database.

A new version of the Chemical and Physical Properties Database Web Site is under development and will be available soon.
