TOPIC: PERMIT AND ACREAGE FEES (Updates Reports Nos. 147 & 17)

INQUIRY: Please survey the IMCC member states for the following information on coal mining permits: current fee requirements for permit applications, per acre charges, and permit renewal and revision fees. Describe the charges, where appropriate, e.g., indicate if the acreage fee is per "bonded acre".

SURVEY RESULTS: A survey of eleven IMCC member states was conducted via mailed questionnaire. The results of the survey appear below and are summarized in tabular form (see attached table). Copies of a 1990 survey of IMCC states plus two surveys of western states are also attached.
