DEPARTMENT OF ENVIRONMENTAL PROTECTION

Bureau of Mine Safety

December 8, 2014

INDUSTRIAL MINERALS OPERATORS

The Bureau of Mine Safety along with the Mining Industry will be offering voluntary Mine Foreman Refresher training again starting in 2015. This year we are going to include plant supervisors as well as underground mine foreman for this training. The training will include topics in the areas of regulations, responsibilities, goal setting, and leadership. We hope that you will take advantage of this valuable training opportunity and select a date and location that is convenient to you and your employees. All sessions will start at 9:00 am and should last approximately 3-4 hours.
