DEPARTMENT OF ENVIRONMENTAL PROTECTION

Bureau of Mine Safety

December 26, 2013

## INDUSTRIAL MINERALS OPERATORS

Ladies & Gentlemen:

The Bureau of Mine Safety will be offering voluntary Industrial Minerals Mine Foreman Refresher training to all Certified Mine Foreman in Pennsylvania. The training which is anticipated to last three to four hours will be offered at the following locations and dates starting at 8:00 A.M.

January 22, 2014; Ebensburg Mine Rescue Station, 286 Industrial Park Road, Ebensburg, PA

January 30, 2014; Marion Center Mine Rescue Station, 21 Griffith Drive, Home, PA

February 12, 2014; Fayette County Health Center, 100 New Salem Road, Uniontown, PA

February 19, 2014; Tremont Mine Rescue Station, 44 North Crescent Street, Tremont, PA

The training outline will include a lecture about leadership and responsibility, regulations pertaining to the mine foreman's duties, and open discussion. Please provide this information to all qualified individuals.

We hope that you will take advantage of this opportunity and offer your feedback so we can enhance the program and add value to possibly make it an annual event.

Preregistration is requested due to the class limit of ten. Please contact Pauline Logsdon at 570-621-3139 to register for a location and date convenient to you at least five days prior to the scheduled session. Additional classes will be conducted as needed at any one location.

Sincerely,

Troy A. Wolfgang

Chief

Anthracite & Industrial Minerals Mine Safety Division
