Train-the-Trainer Program

*“Enhancing Emergency Prevention Performance:
An Education and Training Program for Supervisors”*

The Penn State Miner Training Program will be conducting a train-the-trainer workshop on mine emergency prevention for supervisors. This program, part of an MSHA 2010-2012 Brookwood-Sago Grant, is titled, *Enhancing Emergency Prevention Performance: An Education and Training Program for Supervisors*. The program is designed to assist mine examiners and supervisors in making quality pre-shift examinations in both underground coal and stone operations. The program can benefit **Mine Examiners, Competent Persons, Supervisors, Safety Managers and Safety Trainers**.

Date: June 26, 2012
Location: PA-DEP, Bureau of Mine Safety Rescue Station
310 Industrial Park Drive, Ebensburg, PA 15931
Time: 8:00 a.m. to 4:00 p.m.

There is no charge for this workshop, and lunch is provided.

Training program topics:

- Operator’s Role in Mitigating the Impact of Violations Related to High Risk Hazards, and Rules to Live By
- Best Practices for Quality Pre-shift Examinations in Underground Coal Mines
- Best Practices for Quality Pre-shift Examinations in Underground Stone Mines
- MSHA Regulations for Pre-shift Examinations in Underground Coal and Stone Mines
- Train-the-Trainer Learning Principles Refresher
- Materials and Resources

To plan for lunch and training materials, **all participants must register.**
Please contact Sara Peterson at 814-865-7472 or minertraining@eme.psu.edu.
Registration deadline is June 22nd.

For more information about training content, contact Joseph Flick at jpf1@psu.edu
or 814-865-6335.
