*Added date/training

The mechanical integrity assessment reporting requirements and forms for conventional oil and gas wells are a result of PGCC and DEP working together to address the conventional industry. If you are interested in attending a training session, please contact Kim Angove at admin@pagcoc.org or call the PGCC office at (814) 230-3033 to reserve the training session you wish to attend. Space is limited, so RSVP as soon as possible. There is no fee to attend these sessions. *The DEP may consider holding a training session in November, if necessary.*
