

Oil and Gas Management

# Online Mechanical Integrity Assessment Training Multi-Year Training Example

PADEP: Bureau of Oil and Gas Planning and Program  
Management

Division of Well Plugging and Subsurface Activities

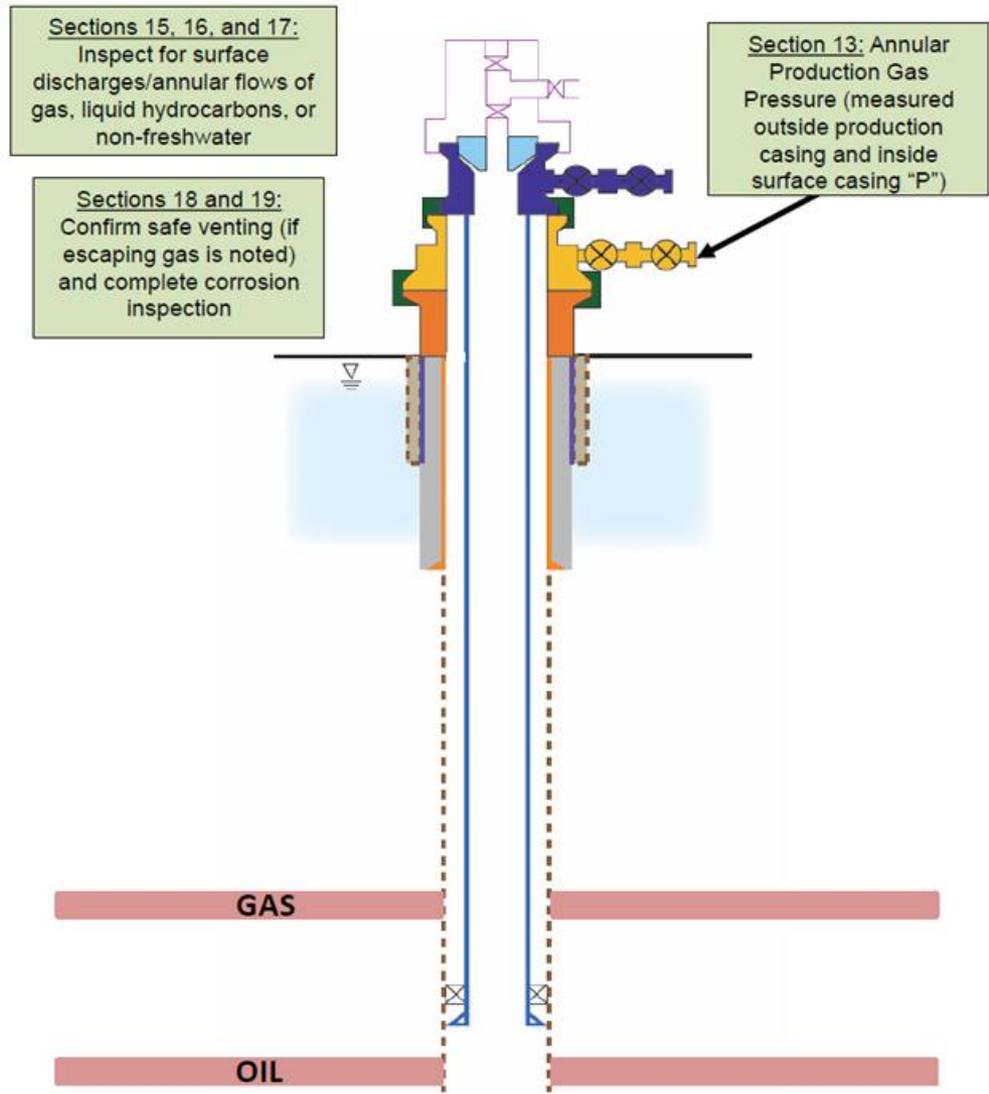

# Form A: Multi-Year Training Example

## Form A Two-Year Example and Data Transfers

- For this tutorial, you will need to use the completed Form A prepared for this example
- In this example, Operator A would like to create a data summary sheet, create a template for next year, and enter the quarterly data for the first quarter of 2014
- Creating a data summary sheet and a report template for next year can be done in a few easy steps
