Dear [REDACTED]

This letter relates to your water supply listed in Exhibit A. The Department's investigation prompted by the information that you provided to the Department on December 15, 2025, indicates that oil and gas activities are the cause of the diminution of your water supply.

Enclosed please find the Department's Notice to CNX Gas Company LLC ("Notice"). As you can see, the Notice requests that certain actions take place within defined timeframes. The Department will continue to pursue this matter.

If you have any questions about any of the above, please contact Jessica Hirsch at 412-225-7601 or [jehirsch@pa.gov](mailto:jehirsch@pa.gov).

Sincerely,
