

INSTRUCTIONS FOR THE OIL AND GAS OPERATIONS WELL DEVELOPMENT IMPOUNDMENT TRANSFER FORM

The following instructions are designed to assist the applicant in properly completing the *Oil and Gas Operations Well Development Impoundment Transfer Form*, 8000-FM-OOGM0139. This form is to be utilized by oil and gas operators for transferring registrations of existing well development impoundments for the storage of surface water, fresh groundwater, and other fluids approved by the Department of Environmental Protection (DEP).

Well development impoundments are:

- a. Not regulated under 25 Pa. Code Chapter 105, as defined in Section 105.3. (relating to scope)
- b. A natural topographic depression, manmade excavation, or diked area formed primarily of earthen materials although lined with synthetic materials.
- c. Designed to hold fluids; including surface water, fresh groundwater and other fluids approved by DEP. Other fluids may include mine influenced water or treated wastewater meeting the requirements in General Permit WMGR123.
- d. Constructed for the purpose of servicing multiple well pad sites

A. TRANSFEROR IDENTIFICATION

Enter the information regarding the current operator who wishes to transfer the well development impoundment. The DEP ID No. is the applicant's unique eFACTS identification number provided by DEP.

B. TRANSFEREE IDENTIFICATION

Enter the information regarding the operator who intends to receive the well development impoundment. The DEP ID no. is the applicant's unique eFACTS identification number provided by DEP.

C. WELL DEVELOPMENT IMPOUNDMENT IDENTIFICATION

Enter the information as required. Provide the true latitude and longitude in degrees, minutes, and seconds of the impoundment location. This should be North American Datum of 1983 (NAD 83) and must meet the current DEP policy regarding locational accuracy.

D. CERTIFICATION AND SIGNATURES

CURRENT OPERATOR (TRANSFEROR): The current operator who wishes to transfer the well development impoundment responsibility to the transferee must print and sign their name in the appropriate boxes, include the date and have their signature witnessed and notarized.

SUCCESSOR OPERATOR (TRANSFEREE): The operator who intends to receive the well development impoundment responsibility from the transferor must print and sign their name in the appropriate boxes, include the date and have their signature witnessed and notarized.

Submit the *Oil and Gas Operations Well Development Impoundment Transfer Form* to the appropriate DEP oil and gas district office:
