 Transco's Responses to DEP July 11, 2017 Technical Deficiencies Letter**

Technical Deficiency Number	Technical Deficiency Description	Response
1	DEP review of the provided Attachment "D-1", Summary of Pennsylvania Historic and Museum Commission (PHMC) Coordination, Table D-1, identified a recent submission of April 2017 Addendum 6 Report Package to be submitted to PHMC. Provide all subsequent PHMC coordination evaluations and clearance documentation associated with the April 21, 2017 submission. Review all technical drawings, narratives, support documents, and calculations to assure that identified resources, temporary impacts, and permanent impacts are consistently identified and reported in the application. [25 Pa. Code § 105.13(e)(1)(x)]	The April 21, 2017 report submission was the Addendum 6 PHMC report submittal, which is documented in the "clearance" correspondence letters (dated May 3 and 24, 2017) provided within revised Attachment D-2 - PHMC Coordination. The final Determination of Effects letter from the PHMC (dated May 25, 2017), which confirms the clearance for all identified resources within the LOD, is also included within Attachment D-2.
