RE: Sunoco Pipeline L.P., Pennsylvania Pipeline Project

Dear Sir/Madam:

Please be advised that South Heidelberg Township does have a Storm Water Management Plan effective in the project area. After studying the proposed activity, it was found that the above referenced project is consistent with the local Storm Water Management Plan. Please contact the Berks County Conservation District, 1238 County Welfare Road, Suite 200, Leesport, PA 19533 for verification that the appropriate E & S Plan was submitted and approved.

In regard to the Floodplain Management Plan, the above mentioned project is not located in the boundary of the FEMA Flood Insurance Study and therefore, this project has no effects on the Floodplain Management Program effective in the Township.

Sincerely,

Ronald R. Seaman, Township Manager
