**Subject:** Sunoco Pipeline Consistency Request  
**Date:** Tuesday, November 17, 2015 2:45:47 PM

---

Ailene Batoon,

Cumberland County received your notification concerning the Sunoco Pipeline project and request for review of consistency with floodplain and stormwater regulations. Cumberland County does not administer floodplain or stormwater ordinances. Those requirements are administered by the townships and boroughs. Every municipality in the county has adopted floodplain management regulations in accordance with State and Federal guidelines. Every municipality has also adopted stormwater management ordinances consistent with the Cumberland County Stormwater Management Plan and Pa. Stormwater Management Act. We recommend that the project be coordinated through the local municipalities and comply with the municipal ordinances.

If you have any questions, please contact me.

Sincerely,

Jeff Kelly  
Assistant Director  
Cumberland County Planning Department  
(717) 240-6377
