Dear Mr. Gordon:

The Department of Environmental Protection (DEP) has reviewed the supplemental Horizontal Directional Drill (HDD) analysis that Sunoco Pipeline, L.P. (SPLP) submitted for the North Zinns Mill Rd./Snitz Creek 16-inch HDD Location (S3-0101-16) and permitted under Permit E38-194. The SPLP HDD re-evaluation was posted on the DEP Pipeline Portal on February 5 and February 7, 2019. SPLP submitted additional information for this HDD re-evaluation on August 29 and October 25, 2019, and February 28, March 10, and March 27, 2020. The re-evaluation and supplemental information is adequate with the understanding that you will be proceeding as set forth in your re-evaluation.

The DEP's review of the geologic aspects of this HDD re-evaluation were completed by a Licensed Professional Geologist.

You may proceed with the permitted HDD activity in the manner proposed in your re-evaluation and in accordance with all applicable permit terms and conditions, including the HDD IR and Water Supply PPC plans.
