Permit No. E15-862
Upper Uwchlan and Uwchlan Townships
Chester County

Dear Mr. Gordon:

The Pennsylvania Department of Environmental Protection (DEP) has reviewed the supplemental Horizontal Directional Drill (HDD) analysis that Sunoco Pipeline, L.P. (SPLP), submitted for the Pennsylvania Drive Crossing, 20-inch HDD Location (S3-0310) and permitted under Permit E15-862. The SPLP HDD reevaluation was posted on DEP's Pipeline Portal on February 4, 2020. SPLP submitted additional information for this HDD reevaluation on February 26, 2020, and March 31, 2020. The supplemental information is adequate with the understanding that you will be proceeding as set forth in your reevaluation.

DEP's review of the geologic aspects of this HDD reevaluation were completed by a Licensed Professional Geologist.

You may proceed with the permitted HDD activity in the manner proposed in your reevaluation and in accordance with all applicable permit terms and conditions, including the HDD IR and Water Supply PPC Plans.

If you have additional questions, please contact me at the telephone number located in the first page footer.

Sincerely,
