Good Afternoon Mr. Carson,

I know we have spoken since this last email, and you were going to submit the necessary stormwater application but I have not received it yet.

Do you want me to return the plans to you or will the application and fee be forthcoming by next week? These plans have been sitting in my office and have not been sent to the Township Engineer for review.

Please advise,

Tamira M. Spedaliere

Good Afternoon Ms. Carson,

Thank you so much sending over the E&S plans for the Pennsylvania Pipeline project.
In order for the Township to review those plans, you will need to submit a stormwater application.

I have attached both an exemption application and regular application for your use.

Please let me know if you have any questions.
