Bob,

Thanks for speaking with me.

As per our discussion, attached you will find a sample consistency letter.

The time frame we are working with to get something in writing from the township is next Wednesday if at all possible.

I will be on vacation starting Monday, but if you need anything in the meantime please don't hesitate to reach out.

Note: This is a framework so if you feel more comfortable citing compliance with your own Chapter 164 and Chapter 97 I think that would work too.

Sincerely,

Chris Koop

Do you happen to have the attachments/maps as well?

This is the first I have heard of this request. I will check with Robert Lohr our Code Enforcement Officer, that is who would typically handle things like this.

Thanks Tamira,

I will try calling you around 1 o'clock if that works.

Attached you will find the original request for Act 167 and Floodplain Consistency.

I think this will all make sense once we have spoken.

Chris
