Mr. Nicholas Rossi, Project Manager
Pennsylvania Department of Environmental Protection
Regional Permit Coordination Office
400 Market Street, 10th Floor
Harrisburg, PA 17101

**RE: National Fuel Gas Supply Corporation – Tioga Pathway Project
Potter, Tioga, and McKean Counties
Erosion and Sediment Control Permit for Discharges of Stormwater Associated with
Construction Activities**

Dear Mr. Rossi:

Please accept this letter and the enclosed documentation as National Fuel Gas Supply Corporation's ("National Fuel") application for an *Erosion and Sediment Control Permit for Discharges of Stormwater Associated with Construction Activities* for the proposed Tioga Pathway Project ("Project") in Potter, Tioga, and McKean Counties.

A complete application package is provided for your review and includes the following items:

- Item 1: Permit Application Forms
 - application checklist
 - application form
 - E&S Module 1
 - PCSM Module 2
- Item 2: General Information Form ("GIF")
- Item 3: Act 14 Notifications
- Item 4: PNDI and Agency Coordination
- Item 5: Cultural Resource Notice
- Item 6: Erosion and Sediment Control ("E&S") Plan
 - E&S Plan – drawings
 - E&S Plan – narrative
- Item 7: Post Construction Stormwater Management /Site Restoration ("PCSM/SR")Plan
 - PCSM/SR Plan – drawings
 - PCSM/SR Plan – narrative
- Item 8: Aquatic Resource Report

Note: the associated application fees were submitted to the Regional Permit Coordination Office under separate cover by Ms. Lauren McMillan, National Fuel.

Electronic copies of the E&S Plan and the PCSM/SR Plan and applicable review fees have also been provided to each of the Project associated county conservation districts; specifically, sections of the plan that correspond to each individual county.

We appreciate your assistance and look forward to working with you during evaluation of the proposed Project. Feel free to contact me at (330) 318-4291 or at brian.chlebus@tetratech.com if you have questions or require additional information. Thank you.

Regards,

TETRA TECH, INC.
