

**Marsh and Rock Creek Watersheds Critical Area Resource Plan
Critical Area Advisory Committee DRAFT Meeting Agenda**

9:00pm-3:00pm, February 15, 2012: Ag Center, 670 Old Harrisburg Rd, Gettysburg, PA 17325

The purpose of this Critical Area Advisory Committee workshop is to prioritize and evaluate management recommendations that were compiled at the January 11th advisory committee meeting.

Agenda:

- 9:00-9:10: Welcome and introductionsCharles Bennett, Chair
- 9:10-9:15: Big picture, role of this workshop in the CARP processHeidi Moltz, ICPRB
- 9:15-10:30: Preliminary screening of management practicesBeverly Saunders, Grad Student
This will include a very brief discussion (~2 min.) of each management practice to designate it as a “yes”, “no”, or “maybe”. Yes indicates everyone agrees that the practice is feasible or implementation of the practice is already underway. No indicates that no one thinks the practice is feasible and no more discussion is necessary. Maybe indicates the item requires additional discussion. The maybe category will be the primary focus of the remainder of the workshop.
- 10:30-10:40: Break
- 10:40-12:00: Evaluation of management practicesBeverly Saunders, Grad Student
Management practices will undergo and evaluation utilizing the six pillars of ILBM (for more information, see blog post from 12/20/2011). A combination of scoring and open-ended questions will comprise the evaluation of each practice. Priority in the order of evaluation will be given to the management practices designated as “maybe.” If time permits, the “yes” category will also be evaluated.
- 12:00-12:15: Lunch break (pizza and drinks provided)
- 12:15-1:50: Working lunch, Evaluation of management practices (cont’d)Beverly Saunders, Grad Student
- 1:50-2:00: Break
- 2:00-2:55: Evaluation of management practices (cont’d)Beverly Saunders, Grad Student
- 2:55-3:00: Closing remarks and next stepsHeidi Moltz, ICPRB

*The next meeting of the Critical Area Advisory Committee will be
Wednesday, April 11, 2012 from 1-3pm at the Ag Center. The CARP blog is online at
