

**Marsh and Rock Creek Watersheds Critical Area Resource Plan
Critical Area Advisory Committee Meeting Agenda**

1:00pm-3:00pm, October 12, 2011: Ag Center, 670 Old Harrisburg Rd, Gettysburg, PA 17325

This fourth meeting of the Critical Area Advisory Committee has several objectives. First, Sue Weaver from DEP will present on drought declarations as they relate to the CWPA. Secondly, Beverly Saunders, a graduate student from Texas State University-San Marcos, will describe Integrated Lentic/Lotic Basin Management, a process being proposed to evaluate alternative recommendations in the Marsh and Rock creek watersheds. Third, ICPRB will provide an update on the status of the technical analyses, including the CWPA water budget and a comparison of water availability to current and future water uses. The final objective for the meeting is to schedule the 2012 advisory committee meeting dates.
